## 5.9 Outreach Services Policy

The Emmetsburg Public Library Outreach Service provides delivery service at no charge to the homebound public within the corporate city limits of Emmetsburg, and to residents of Emmetsburg's nursing homes, correctional facilities, day cares, and residential care/independent living facilities.

Homebound delivery is available for residents of any age who have an illness, injury, or disability which prevents them from visiting the library for a period of one month or longer.

Scheduled delivery and pickup are every third Tuesday. Arrangements for this service may be made in person, by phone, fax, or emailing the Emmetsburg Public Library.
